# What would the church be like...?

If everyone was  
like me...

- my bible study
- my prayer life
- my dedication
- my evangelism
- my morality
- my attitude
- my attendance
- my worship
- my giving
- my preparation for leadership
- my marriage
- my leading of my family

It is important that I focus on my standing as a Christian, before I begin to focus on others.

I need to evaluate specific aspects of my life as a Christian.

**I must give every effort to focus  
on being the best I can be for God.**
