## Famous Bible One-Liners God Is Love"

I John 4

## God's love is unconditional.

## Common misconceptions of God's unconditional love:

- "God loves me and accepts me no matter what."
- "God loves me and won't send me to hell."

## God's unconditional love does not negate His demands:

- God is love, but He still demands truth.
- God is love, but He still demands confession.
- God is love, but He still demands that we love.
