

Matthew 24:1-3

When comes
the END?

The background of the entire image is a composite of two celestial bodies. On the left, a portion of the Earth is visible, showing continents and oceans. On the right, a large, bright, fiery sun or star is shown, with intense orange and yellow flames and a glowing corona. The overall scene is set against a dark, starry space background.

Mankind has always been fascinated with knowing when and in what manner this world will end.

Many have sought to use the Bible to validate their predictions concerning the end of the world.

The truth is that we have no way of predicting when this world will end.

Therefore, we must be ready at all times to stand before our God in judgement.

When comes
the **END**?
