

Excelling Still More

Pleasant Plains Church of Christ

2019

Daily Bible Reading

With last year's reading schedule being dedicated to the consideration of Jesus's work on earth which led to the establishment and workings of the early church, we will continue on in 2019 by revisiting many of the churches and disciples that find their beginnings within the book of Acts. With much groundwork being laid in Acts, we will look into the progress of these churches and disciples through looking at the inspired letters written to these brethren. We will consider in what areas they were excelling, and we will also consider the areas in which they were coming up short. May our daily meditations upon God's Word strengthen our faiths and help this church to be successful in our efforts to continue to excel in 2019.
