

What about the **disputed** Biblical texts?

For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart.

Hebrews 4:12

Disputed Biblical texts?

Some verses of the Biblical text are doubted as being authentic God-inspired writings.

This doubt is caused by the examination of the Bible's manuscripts.

Most famous examples:
Mark 16:9-20 & John 7:53-8:11.

What affect should this have on our faith in the reliability of the Bible as God's inspired work?

Most of the verses are non-consequential.

Any significant teachings found in these verses can be supported elsewhere.
