What I Noticed When I Read *The Letter Of First Peter*

Peter's Encouraging Reminders:

These Gentile disciples now have a new identity as part of the family of God. (1:13-2:10)

Through their sufferings, these disciples are serving as witnesses for Christ. (2:11-4:11)

Though suffering at the present time, these disciples possess a future hope that can sustain them. (4:12-5:9)
