

The *Incredible* JESUS

A Study Through Mark's Gospel

Mark 5:18-20

The Servant Desires Faith Mark 5:21-43

Setting The Scene

- Jesus returns to the western shore of Galilee where He is met with a much more welcoming crowd and a leader of the synagogue who has a daughter on her deathbed.
- In the process of going to Jairus's home, Jesus is contacted by a woman who is at the end of her rope suffering from a bleeding issue that has plagued her for twelve years.
- Her touching of of Jesus's clothing brings instant healing, and Jesus takes the time to address what has taken place.
- At the same time, Jairus is told his daughter has died, but Jesus tells him to keep on believing and don't lose faith.
- Though the daughter is truly dead, Jesus raises her back to life, and instructs those present to keep it quiet.

Observations Of The Text

- These two individuals were in completely different places in their positions within society and stages in their lives.
- Both of these individuals found themselves in extremely desperate positions.
- Their faiths led them to work through their fears in order to find help at the feet of Jesus.
- Jesus shows His perfect purity and power by coming out of these two situations in an undefiled state.
- These events conclude the fourfold showing of Jesus's ultimate power over danger, demons, disease, & death.
