# **Matthew 14:22-33**

## **GET OUT OF THE BOAT**

**Some people never get out of the boat.**

**Some people get out of the boat, but quickly sink when they see the storms.**

**Some people get out of the boat, start to sink, but immediately call out to Jesus for His saving help.**

**Jesus will always reach out to assist those who are willing to get out of the boat because they believe in the power of the Man who controls all things.**
