

# Becoming Denominational

**I Corinthians 1:10-13**

**We become denominational when we have a denominational mindset.**

**We become denominational when we use denominational language.**

**We become denominational when we organize & function like a denomination.**

**I Corinthians 1:10-13**

**Becoming  
Denominational**

A white church with a steeple and a large wooden cross in a field at sunset. The church has a prominent circular window on its front facade. The sky is filled with soft, golden clouds, and the sun is low on the horizon, creating a warm glow. The foreground is a dark, grassy field.

**We can avoid becoming denominational by:**

- seeing the church as God sees the church.
- speaking about the church as the Bible speaks about the church.
- holding only to the traditions handed down by the Apostles.
