### **A Claim That Matters!**

Whether or not Jesus is the Son of God defines Him and everything He did in His life.

Whether or not Jesus is the Son of God determines whether or not our faith in Him means anything at all.

If Jesus is the Son of God and we deny His deity, then we can do nothing but also deny the Father.

**JESUS**  
*The Son Of God*

**Within John's Gospel, John The Baptist:**

Made it well known that he himself was not the Christ but the forerunner. (1:19-23)

Spoke humbly of himself while exalting the greatness of the Christ who was to come. (1:24-28)

Declared Jesus as the Lamb of God. (1:29-31)

Was told by the Father that the One who the Spirit descended upon is the Son of God. (1:32-34)
