I Thessalonians 5:1-11

Living Godly
In An *Ungodly World*
2020 Focus

As believers in God, we are confident in the coming judgement day and are preparing for it. (vv.1,2)

Those who belong to darkness are not expecting a judgment and are not preparing for it. (vv.3-7)

We are to stand out from the darkness as children of the day who live self-controlled lives as we look forward to our salvation through Jesus Christ. (vv.8-11)
